

REACH CULTURE

REACH Culture Development Plan for YumYum Dairy

An organisational culture is the cumulative employee experience. It is how people feel based on how people around them behave. The focus to change culture is on development of the leaders, and how they execute their leadership function.

The development plan focusses on the behaviours that the employees experience as lacking in the organisation. By focussing on these development priorities the employee experience, and therefore culture and engagement will improve.

REACH Quotient: 3.31 out of 5.00

REACH
CULTURE**YumYum Dairy Current Development Priorities**
Coach**Developing Coaching Competencies (the "why")**

They should consider this list of courses:
